

Hi Everyone,

I will be at Gin Gin Pony Club on 28th of February and happy to complete any C Proficiency certificates for those still wishing to do them before State.

NB anyone 13 years and over must now hold this certificate prior to State nomination being excepted.

Riders will need to have obtained and completed (as much as possible) in their C Proficiency workbooks and I will also require your details before the day.

This will definitely be the last opportunity I will have to assess anyone before close of nominations
